I understand that a massage therapist must be aware of any and all existing physical conditions that I have in order to provide appropriate massage. I further understand that a massage therapist neither diagnoses nor prescribes for illness, disease, or any other medical, physical, or emotional disorder, nor performs any thrusting joint or spinal manipulations or adjustments. I am responsible for consulting a qualified primary care provider for any physical ailment that my child may have.

I agree I will give twenty-four (24) hours notice to cancel any bodywork session to avoid being charged.
